# About Us

Established in the year 2014, **PY BERSATU MAJU** (Registration number of 201701027439 (1241605-X), provides an end-to-end manpower recruitment solution offering clients an excellent service to meet their needs by recruiting the right candidates with the right skill sets and placing them based on the requirement set by the clients

Our agency consists of experienced consultants who can assist you with the recruitment and employment of local and foreign labor so that you can focus on your business.

Since early 2022, we have been actively sourcing local manpower for manufacturing & other industry by offering interesting benefits suitable to dynamic market conditions and we have received a positive response and attracted suitable local talents. We have been successful in doing this for Ceramtec, Sangsin & One Security.

## **MISSION**

To lead the way through client-centric innovative manpower deployment and mobilization solutions. To always exceed the expectations of our clients by being the best at what we do

## **VISION**

To become one of the leading industry players in the manpower supply solutions that adhere to the highest standards of work emphasis on speed and efficiency
